Title?

Barb the shark found herself in a park in the dark. She looked at the stars to try to help her get home. She knew she was far so she rented a large car. On the way home she stopped by a yard and something barked. Barb the shark asked Mark the dog how to get home. Mark said, "It's not hard! You don't have to go far! It's just past the big red barn." Barb the shark found the big barn that was next to the ocean. In the ocean was a large barge that Barb called home.
