

## Creating your 5th Grade Legacy Tile

**Directions:** Read the steps for making your tile wall artwork. Follow each step exactly as it says. Cross it off as you complete each step.

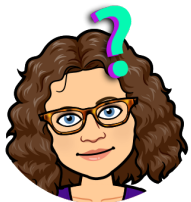

---

### YOU MUST:

1. Watch the [instructional videos](#) on the website link given to you by your teacher
  2. Draw your idea for your tile on the white paper provided- be careful! You only get one sheet of paper.
  3. Place your first name and 2021 on the front in your drawing somewhere
  4. Color your picture boldly with crayons or markers or bright color pencils
  5. Write your full name and homeroom on the back of your tile drawing in pencil not marker
  6. Return the drawing completed to your homeroom teacher to collect and give back to me
    - a. Homeroom teachers will give me the artwork by May 19th.
- 

### Then what?

- Ms. V gives everyone's drawings to the Art to Remember company to scan and create a custom code and order form for you
- You are given the order form with your special code for their website
- You may order on their website a tile for the school wall and something with your art on it for home
- The order due date will be on your order forms
