

## 5th Grade Legacy Tile *Virtually Completing your Order*

If you can not get your drawing to the building on May 19th, then please follow these instructions:

1. **Use a digital camera or a cell phone to take a close up picture of your work.**
  - a. **Tips:**
    - i. Make sure you have good lighting around you and your shadow is not cast on your artwork
    - ii. Place it a hard surface & flat- like the floor or a table and stand over it
    - iii. You should only see the artwork in the image- get the camera close to it so it fills the screen
    - iv. Tap the center of your screen so it is in focus and not blurry and then snap the shot
2. **Go to this art to remember website: <https://arttoremember.com/school/dzkgf9r>**

The screenshot shows the top navigation bar with the Art to Remember logo, links for Fundraisers, My Gallery, and Shop, and buttons for Enter Order Code, a shopping cart, and a menu. The main content area is split into two columns. The left column has a blue background with the text: "Welcome family and friends of Bragg School! Our school is participating in a creative fundraiser with Art to Remember. You can purchase keepsake products customized with your child's art. There are over 50 products to choose from and a percentage of every order goes right back to our school." The right column has a yellow header "Shop Online Now" and a white box titled "Upload an Art Piece" with instructions: "Select a piece of your child's artwork. Take a picture or scan it to your computer. Then, click the button below to upload it and start shopping. All orders benefit our school!" Below the instructions is a blue "Upload" button and a link "Search for Prior Artwork". At the bottom of the screenshot, there is a light blue banner that says: "You have the chance to purchase a legacy wall tile to be placed in the school, and you can purchase other gifts and keepsakes that will be delivered to your home. Thank you for your order!"
