

May 2016

Dear 1st Grade Parents,

Next week (see dates below), 1st grade classes will have “performance time” during their regularly scheduled music class. What that means is that your child can bring in his or her instrument to play a prepared piece for the class. A prepared song or dance is also acceptable. I will have a piano available for any pianists, and a CD player for accompaniment if needed.

This performance time is OPTIONAL and for students only. Feel free to email me if you have any questions.

Thank you,

Mrs. Kathy Snow

katherine.snow@chester-nj.org
