

June 2016
Bragg School

Dear Students and Parents,

Keep sharpening your keyboarding skills over the summer! Even 15 minutes a few times a week is helpful to continue learning the technique. It's about accuracy first, then speed. Here's the login information. Keep it handy near your home computer or laptop. You can also use an ipad to practice, although there is no app for this website.

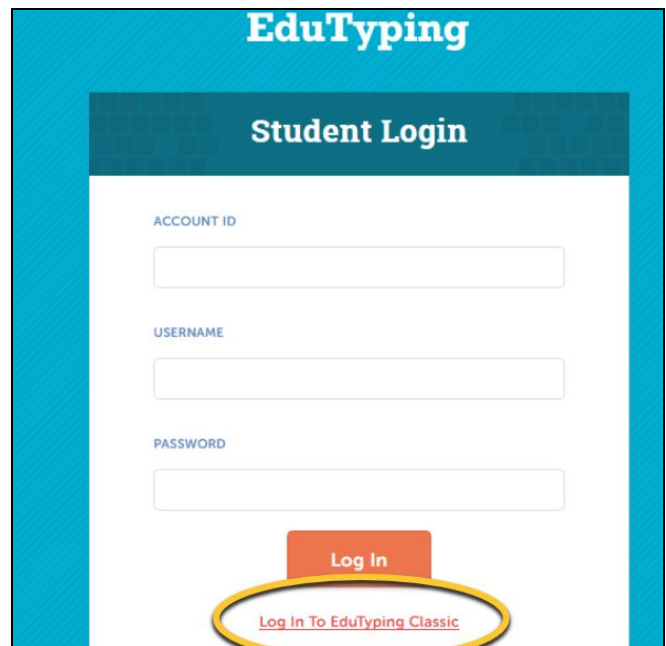

Please note that EDU Typing is changing their appearance. Students will have a new log in come September 2016. But for the summer, they can log on to the website, head to Student Login in the top right corner, and then choose "Log in to the classic version" to continue their progress from this year.

Student Login

ID: Chester

Username: First half of email, everything before the @ symbol
(for example - 21mroskie)

Password: Bulldogs

The image shows a screenshot of the EduTyping website's student login page. The page has a blue header with the 'EduTyping' logo. Below the header is a dark blue bar with the text 'Student Login'. The main content area is white and contains three input fields labeled 'ACCOUNT ID', 'USERNAME', and 'PASSWORD'. Below the fields is a red 'Log In' button. At the bottom, there is a yellow oval containing the text 'Log In To EduTyping Classic'.

Enjoy the summer!
