

Dear Parent/Guardian:

Our school has access to a wonderful web-based program called *Study Island*. If you have internet access, your child can use *Study Island* at home and at school to practice his/her math and language arts skills.

To log in, go to www.studyisland.com. Your child's log in information, which is case sensitive, is:

Username: FirstnameLastname@BRMS

Password: Chester

The program will prompt you to change the password once you are logged in. Please note that if your child previously changed the password but doesn't remember it, you can contact the office to retrieve it.

We are excited about the potential benefits this program can bring to our students, and we encourage you to take advantage of the opportunity by using *Study Island*.

Please feel free to contact *Study Island* at 1-800-419-3191 or support@studyisland.com if you have any questions.

Sincerely,

Robert Mullen

Principal
